**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

We need the Bridge 2 Broadband. I live in a rural neighborhood with very limited options. Currently I pay what I feel is exorbitant price for slow access to the internet and local phone access. Broadband is crucial for working from home as well as communicating via FaceTime with my friends and family. Please support more competition and freedom of choice.
